About the Boys & Girls Club

For over 50 years, the Boys & Girls Clubs of Bay County has been in the forefront of youth development working with young people from disadvantaged economic, social, and familial circumstances. The Club has a demonstrated history of successfully developing youth into community leaders. The Club is honored to administer a 21st Century Community Learning Center at Waller Elementary School.

21st Century Community Learning Centers (CCLCs) provide academic enrichment opportunities during non-school hours. The program helps students meet state and local standards in core academic subjects; offers students a broad array of enrichment activities; and offers literacy and other educational services to the families of participating children.
