Boys & Girls Clubs of Bay County

Intent to Apply – Renewal Funding for 21st CCLC

The Boys & Girls Clubs of Bay County is pleased to announce its intent to apply for renewal funding for its Nita M. Lowry 21st Century Community Learning Center (21st CCLC) located at Waller Elementary School in Youngstown, FL. This program was established by a federal 21st CCLC Grant awarded by the Florida Department of Education for the 2018-19 term. The program provides out-of-school programming after school and over the summer to 100 students in grades 1-5, focusing on academic and personal enrichment. The target school of this grant is Waller Elementary.

Any local Bay County private schools that are interested in this program may contact Grants Administrator Kate Robinson at 850-573-5606 or admin@bgcbayfl.org.

Questions or public input about the 21st CCLC program and grant proposal may be directed at Hank Hill, CEO of the Boys & Girls Clubs of Bay County: 850-573-5606 or ceo@bgcbayfl.org.

If interested, please see our website at <http://www.bgcbayfl.org/21st-Century-Learning-Centers.aspx> for more information about this program. A copy of the 2021-2022 grant application will be available on the website in Fall 2021.

More information about the 21st CCLC Program may be obtained by visiting the following webpage on the website of the Florida Department of Education: <http://www.fldoe.org/schools/family-community/activities-programs/21st-century-community-learning-center/>
